

## 2007 CABERNET SAUVIGNON, SONOMA VALLEY

Our 2007 Cabernet Sauvignon, Sonoma Valley is an epic wine. Built to last 12-15 years yet friendly enough to enjoy in its youth, it is unquestionably the highest quality vintage of this wine that we have released to date. Notes of red and dark cherries, mocha and creamy French oak are complemented by silky, refined tannins. This wine exhibits a balance of elegance and power uncommon in California Cabernets.
